INTRODUCTION

Fidinam is a private consulting firm founded in Lugano (Switzerland) in 1960. We offer tax, business, real estate, citizenship & residency, crypto and digital consulting to companies, entrepreneurs and individuals. In our 60 years of activity, we have acquired extensive knowledge and in-market experience.

Our mission is to offer integrated, seamless and multidisciplinary consultancy and to provide a tangible added value to the client. Our professionals are always up to date on evolving regulations, emerging markets and new technologies. This enables us to adapt to any situation and offer you a tailor-made, innovative and customer-oriented service.

Besides our presence in Switzerland, Fidinam is present in other European countries as well as Hong Kong, Singapore, Dubai, Australia and Vietnam. Our vast network is global and allows us to offer our advisory services in 90 countries.

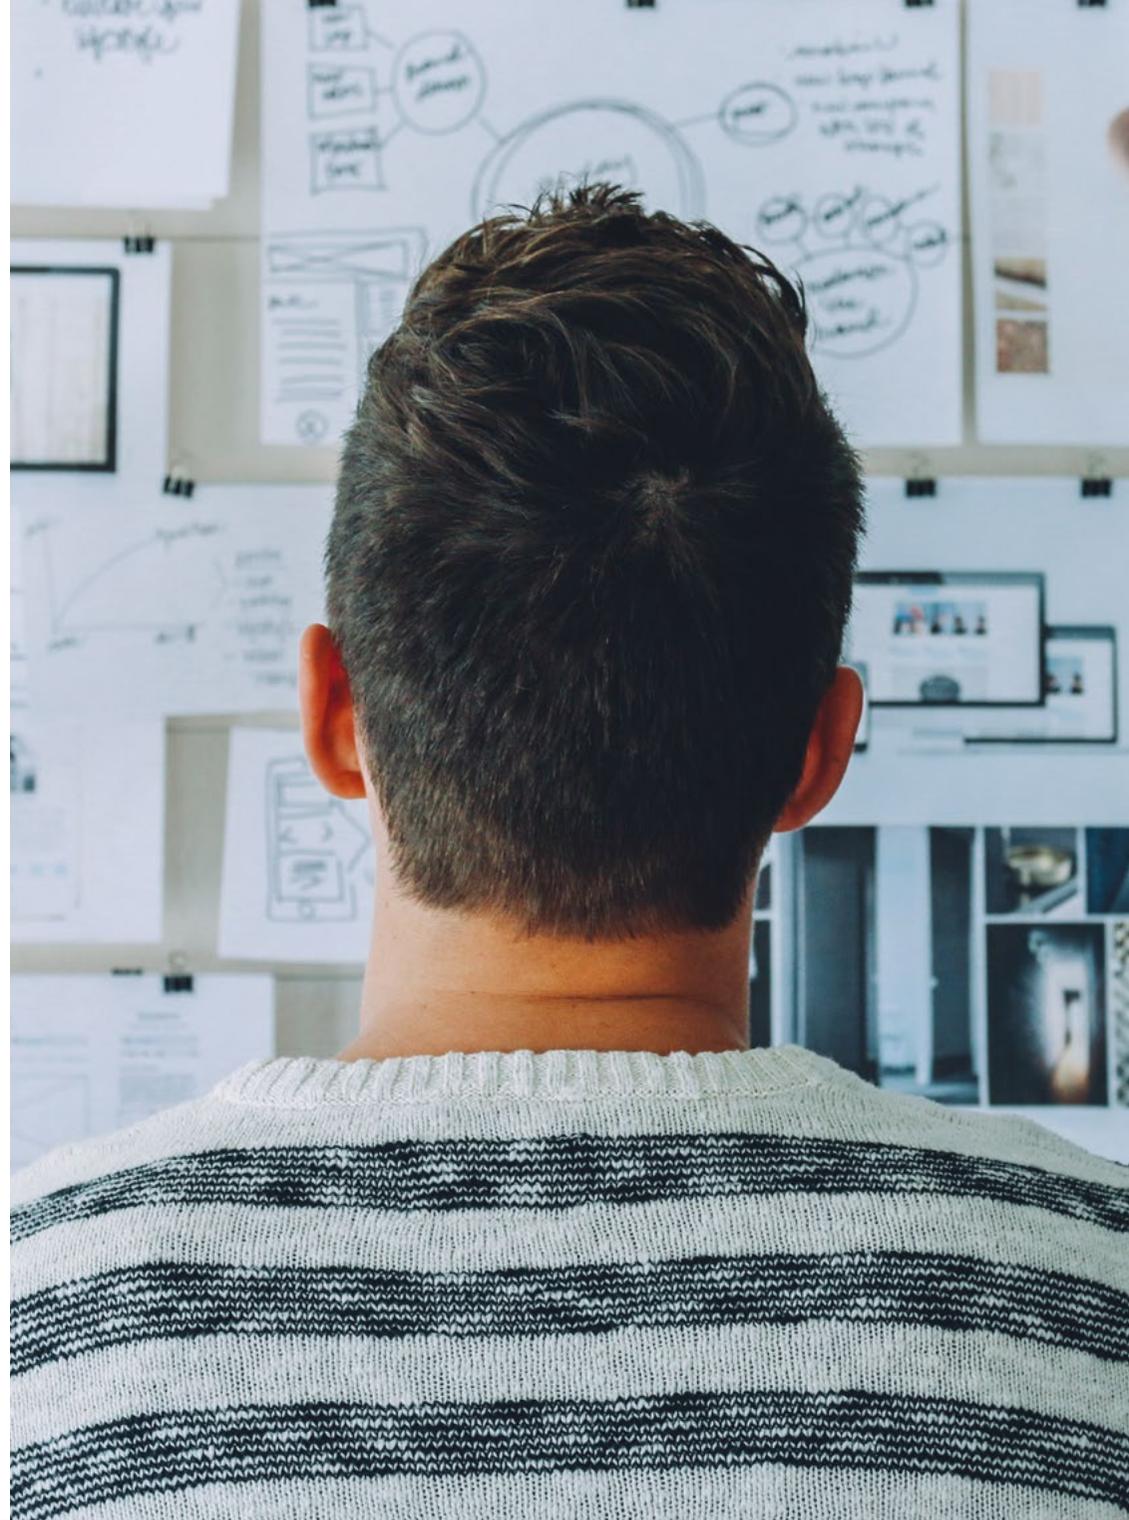

Fidinam Vietnam provides a wide range of services for both international and Vietnamese clients. We support international clients looking to invest and set up a business in Vietnam, through services such as market-entry services, incorporation of Vietnamese entities, accounting, tax, HR and employment services.

Vice versa, we support Vietnamese clients who want to expand their business abroad by leveraging Fidinam's solid experience, knowledge and network in different jurisdictions. Furthermore, Fidinam Vietnam provides international tax advisory, wealth and estate planning, citizenship and residency planning and digital consulting.

MARKET – ENTRY SERVICES

Fidinam assists investors in evaluating and implementing investment opportunities in Vietnam by delivering market research and feasibility reports, preliminary tax opinions, identifying local partners, suppliers, distributors and target companies.

Market research

Fidinam provides its clients a deep market analysis, which includes:

- General industry overview and key macro-economic data referred to the specific client's industry in Vietnam;
- Industry report with a specific and detailed description of the client's industry, including a comprehensive research, analysis and insights on the market, customers and competitors in Vietnam;
- Company report with a comprehensive and multi-dimensional view of the company, including financial statements, key developments, ownership structure, industry analysis and commentary.

Deal matching services

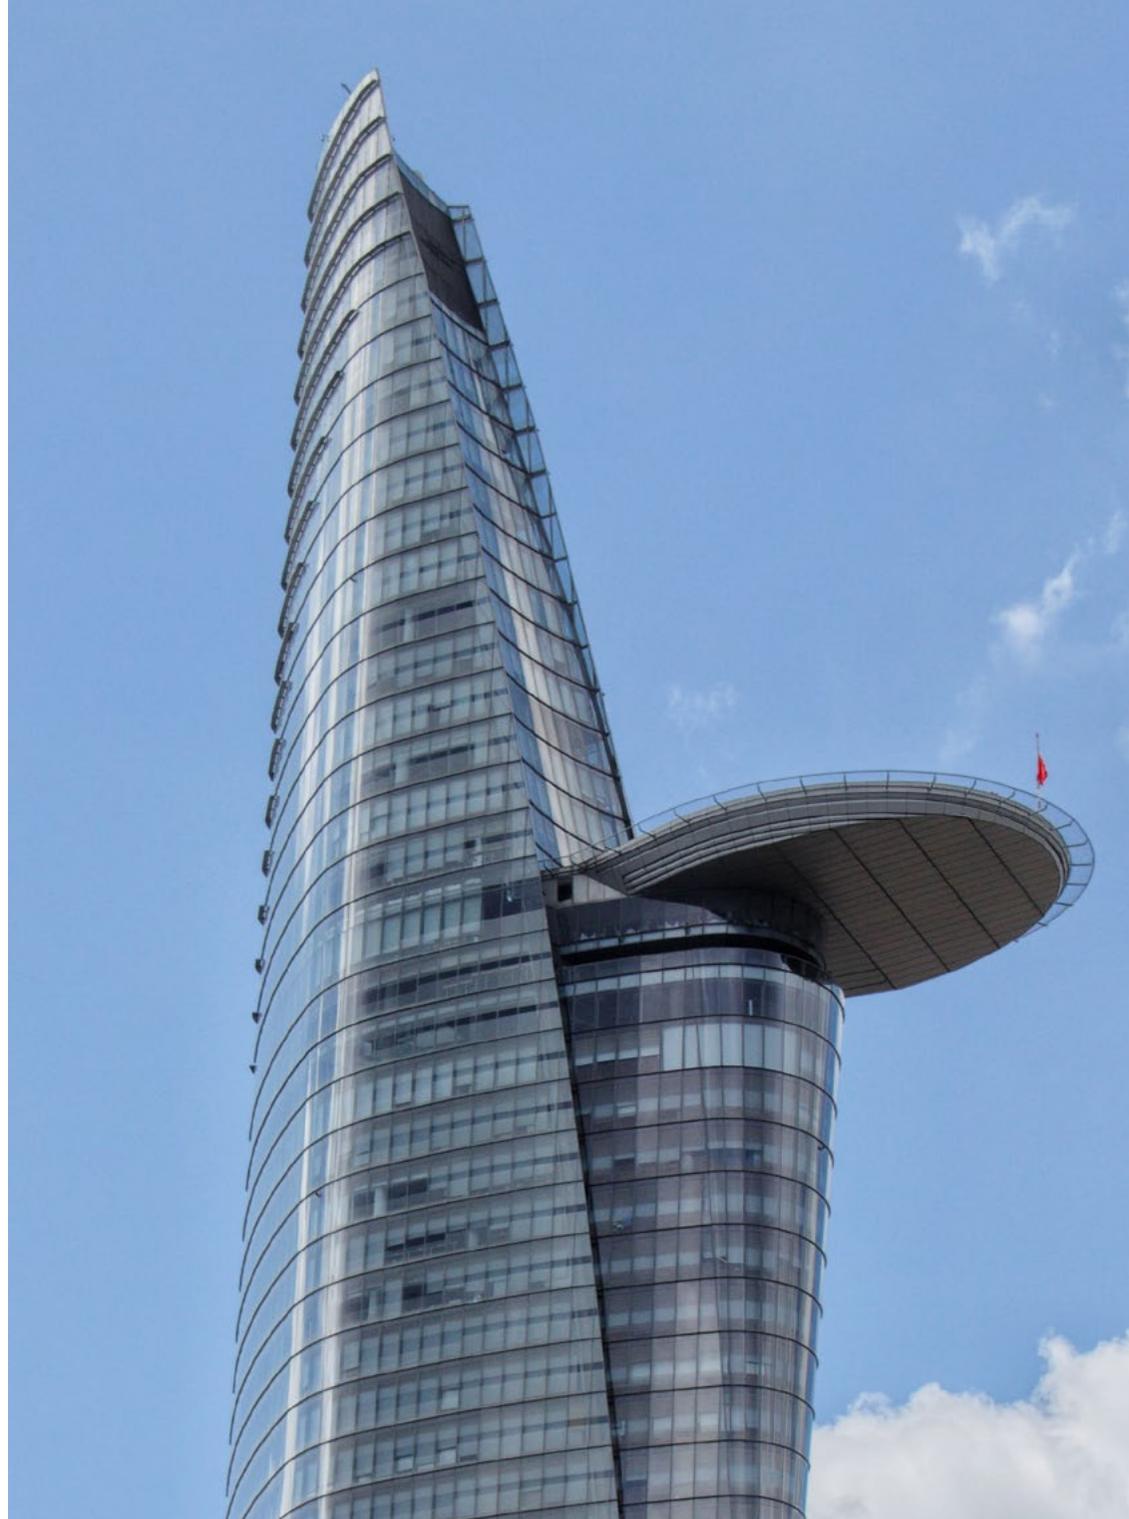

Fidinam provides a tailor-made research to identify business partners, distributors and potential targets for foreign investors interested in developing their presence in the Vietnamese market.

Feasibility reports

We provide feasibility reports including a review of the applicable regulation to confirm the feasibility of the intended business in Vietnam. The analysis includes checking investment and business conditions, procedures to set up a legal entity, post-licensing works as well as sub-licenses eventually required.

INCORPORATION OF VIETNAM ENTITIES

Fidinam assists its clients to incorporate companies and other entities in Vietnam. We support our clients in every stage of the incorporation process, including obtaining relevant licenses, post-licensing services as well as providing nominee services and other ad-hoc management service locally.

Company incorporation

Our team of local professionals can fully support our clients to incorporate different types of entities in Vietnam, included but not limited to: Limited Liability Company (LLC), Joint-Stock Companies (JSC); Branches; Representative Offices; Operating Office under BCC, etc.

Licensing and compliance

Fidinam takes care of the application to obtaining all the licenses required in conditional sectors and perform compliance reviews to determine whether or not incorporated companies comply with the local law and tax regulations.

- Closure of companies, branches, representative offices, management offices, etc

INTERNATIONAL TAX ADVISORY

Fidinam assists corporates and individuals in cross-border tax matters by establishing efficient and sustainable structures. Our services include tailor-made tax solutions aiming to optimize tax exposure considering Double Tax Agreements, Free Trade Agreements and other International Treaties.

Cross-border investments

Fidinam provides consulting services based on its multi-jurisdiction expertise, we can especially arrange cross-border investments in order to have a tax-efficient and compliant route for the business activities and capital flows.

Tax compliance

Fidinam assists its clients to be compliant to the different tax legislations which clients are subjected to, both nationally and internationally. Furthermore, we support our clients to benefit from the Double Tax Agreements and tax implications under Free Trade Agreements.

Tax optimization

By understanding the specific needs of the clients, Fidinam assists them in reducing the cumulative impact of taxation while observing applying the relevant regulation. We ensure tax efficiency, including elements of financial planning in order to provide the most tax-efficient process.

Overseas structuring

Fidinam professionals can assist their clients in incorporating entities outside Vietnam in more than 90 jurisdictions including, but not limited to, Singapore, Hong Kong, UAE, Luxembourg and Switzerland.

WEALTH AND ESTATE PLANNING

Our full range of services includes the creation and management of wealth and estate solutions, including family foundations and citizenship and residency planning. Fidinam offers targeted solutions to ensure stability and efficiency, all tax-optimized.

Trusts

Fidinam assists its clients in establishing Trusts in several jurisdictions including: Hong Kong, Singapore, New Zealand, Switzerland, the Bahamas, Cayman Islands and British Virgin Islands.

Private foundations

A Private Foundation is a legal entity set up by an individual or a business (the Founder) for private, non-charitable purposes. A foundation's assets constitute an estate separate from the Founder's personal assets. Fidnam assists its clients in establishing Private Foundations in several jurisdictions, including Switzerland, Liechtenstein, the Netherlands and the Republic of Panama.

Assistance to life insurance policies

The beneficiaries of the policy are named by the subscriber, who, during his lifetime, can partially or totally redeem it. Fidnam assists its clients in understanding whether or not the terms and conditions of a given policy may suit their wealth and estate planning purposes.

Citizenship & residency planning

Fidinam offers a holistic approach to advise on tax implications related to citizenship and residency programs, including new citizenships, pre-application planning, applications submissions and liaising with the relevant authorities in several countries.

In particular: Hong Kong, Singapore, Switzerland, the United Kingdom, Malta, Cyprus, Spain, Monaco, Antigua and Barbuda, UAE, St. Kitts and the Bahamas.

DIGITAL CONSULTING

We partner with companies and entrepreneurs in the digital transformation of their businesses, offering them a wide range of solutions and technology consulting aimed at digitalization and optimization of business management. We exploit the potential of technology by putting it at the service of our clients to achieve efficiency, quality and improve their daily work.

Digital accounting

Fidinam helps companies in developing working strategies to smoothly manage the workforce and processes of SMEs. We are a proud recognized Silver Partner of the accounting platform XERO, a leading software for the digitization of business processes. We grant our clients a full ERP through which we streamline operative processes and eliminate administrative inefficiencies.

Cloud solutions

Our range of solutions offers our customers attractive possibilities for remote collaboration using cloud technology. The benefits are numerous: greater flexibility, cost transparency, security and availability of data and applications, as well as the ability to access data from anywhere in the world. Whether you are a multinational, a freelancer or an SME, we have the technology solutions for efficient and effective management.

Crypto services

Fidinam provides tailored solutions for companies interested to access crowdfunding on the blockchain. In a continuously evolving regulatory framework, we are able to guide clients through the following steps:

- Analysis on regulatory requirements for the collection of funding (KYC, AML);
- Identification of the most suitable corporate vehicle;
- Tax ruling with local authorities (subject to certain criteria);
- Accounting and tax services for companies dealing with crypto currencies.
